HackTJ
The World's Largest High School Hackathon.
March 2026
Alexandria, VA
Thomas Jefferson High School for
Science and Technology

Dear Potential Sponsor,

HackTJ was Major League Hacking's first in-person 24-hour high school hackathon. In March 2026, 400+ of the brightest high school students from different schools will come together to build mobile applications, wearables, websites - you name it! We would love for you to join us for our 13th edition of HackTJ.

"Hack-a-what?"

Hackathons are 24-hour adrenaline filled competitions where students code and work in teams to bring their ideas to life, while competing for cool tech prizes. Student hackathons enhance practical skills, foster collaboration, and provide networking opportunities, preparing students for the real world.

Our mission is to provide ALL students with an environment that supports project-based learning, enabling them to apply their knowledge and create something unique.

Why Should You Help?

Collaborate with us to encourage the next generation of aspiring coders, entrepreneurs and innovators; to showcase your products, and help support and promote diversity in STEM! It will be a lot of fun, and we can't wait to see you there!

On the next page you'll find a list of sponsor benefits describing all the exciting ways in which you can be a part of HackTJ. This year's event will be tentatively be held at Cvent in Tysons, VA. Shoot us an email at aanya@hacktj.org or shaurya@hacktj.org if you're interested in sponsoring or have any questions. We couldn't be more excited for HackTJ 13.0 and look forward to having you as a proud HackTJ sponsor.

Thanks! The HackTJ Team

Aanya Gupta (Director) - aanya@hacktj.org

Shaurya Bisht (Asst. Director)- shaurya@hacktj.org

Paul Kosek (Faculty Sponsor) - paul@hacktj.org

Mark Hannum (Faculty Sponsor) - mark@hacktj.org
